### **Critique**

**We were lucky that the rain held off and I was able to judge outside. My principle winners were all of true red and white setter type. I found some upright shoulders which is a fault that seems to be overlooked when**

selecting stock but easy to see and rarely improves. Movement would have been better in some if they had more muscle. As always I am looking for that gentle setter expression. Some bitches where on the large side and lost their feminine quality as a result. Good construction and sound movement alone does not make an Irish Red and White Setter, the breed standard and the enhanced blueprint describes the essence of the breed and should be essential reading for all.

1st TEMYNLOAH TOMAS AT ALANEA (MRS A TATTERSALL) Good head proportions with correct square muzzle and kind expression on this stylish dog, with good depth of chest and well angled hindquarters, he is well balanced throughout, show in excellent coat.

2nd RUSTASHA RED HOT ROYAL AT ANISBRIG (MR B & MRS S PILMER) Set on more rangy lines, he has everything in the right place but needs time to mature and fill out.

1st BALLAKINNISH MALACHI AT OLDESTONE (MR & MRS D S WADE) Compact type dog with nice deep chest, well angled fore and aft, with good oval bone he still needs a little more time to fully mature. His movement was sporadic but he did just enough to show he is sound and has drive when steady.

2nd SHANNONLEE THE PTARMIGAN (MR R & MRS C BARON) This boy has everything in the right place and showed it off with his sound movement, but he still needs time to mature for the full picture to emerge.

1st CASAFELICE MONTADALE JW (MR I & MRS G LAMB) True red and white type, well angled shoulders and upper arm, good depth of chest and strong loin, he looked a picture shown in excellent coat and condition. Best of heads with square muzzle and kind dark eye, giving him the correct gentle expression. He has substance but is in no way course. Moved with drive and purposed keeping his level topline. Dog CC.

2nd SH CH VANDERS VA VOOM AVEC WROXHAM (MRS E E WALKER) Another nice one and worthy champion, more compact overall, good spring of rib and excellent rear assembly, just preferred overall style of 1. RES CC

1st RUSTASHA RAISON D'ETRE FOR KELLIZLOT (MR G F & MRS S M TONG) Pretty 9 month old bitch, who has good angulation fore and aft but rather long cast, she needs time to grow into her body.

1st TEMYNLOAH TANYA AT ALANEA (MRS A TATTERSALL) Compact stylish bitch who stood out in this class, pretty head with kind eye, nicely arched neck leading into good shoulders, lovely in profile and did not disappoint on the move, the best of feet.

2nd GILLIEGRAE CINEAL NIAMH (MR G J & MRS G A HART) 2 & 3 in this class both won on their overall construction, but both slightly bigger than required which takes away their femininity. 2 had a good head shape and nice dark eye.

1st CORRANROO CELTIC CONECTION WITH ANISBRIG (MR B & MRS S PILMER) Set on such feminine lines with the sweetest of heads, Nicely arched neck, good front, well sprung ribs, strong in loin. Without exaggeration she is a beautiful picture of balance and type. Moved with good reach and drive. Bitch CC

2nd BALLAKINNISH MISCHIEF MAKING COPPERWHITE JW (MRS L R WARD) Bitch maturing well, good in all quarters, just not so pretty in head as 1. But well balanced with nice deep chest and good spring of rib, moved well.

1st SH CH SHANNONLEE THE SKYLARK JW (MRS J WEBB) This girl still has it, at 8 no one can take away her, excellent type, balance and movement. With a good deep brisket, well sprung ribs and good angulation fore and aft. She has the sweetest of heads and lovely kind dark eye. Res CC

2nd OLDESTONE SNOW SHOWER (MR & MRS D S WADE) What a pity this girl can't get it together on the move. A nice size with everything in the right place, well ribbed up, strong in loin and well angled with good oval bone and substance but in no way course.
