## Critique

**VD (2) 1 Barry's Rustasha Royal Rumour**, well balanced dog, good eye. Would like better lengthen of foreface for balance. Good legs & feet, good angulation both ends, balanced outline with firm topline & well set tail, pleasing body & depth, went well;

**2 Lipscombe's Sh Ch Kellizlot River Legend**, very well proportioned dog in

outline, clean & masculine & true in type. Not the feet or shoulders of 1, so does not go with as positive front action. Not a bad dog.

**PD (2) 1 Faulconbridge's Spyefire Mo Mentous for Flynfell**, not the best behaved dog, but as a puppy this is acceptable as I could see what I needed to. Well put together & very balanced throughout, really typical in head, correct skull & good expression, well boned with tight feet. Should grow on well;

**2 Lipscombe's Courtdown Finnians Rainbow**, masculine with typical eye & balance of head, well set ear, clean neck, decent forehand. Just needs to strengthen in backend.

**JD (1) 1 S Mo Mentous for F.**

**ND (0).**

**PGD (3) 1 Griffin's Casafelice Cheviot**, balanced with outline that is strong & clean, well put together & out moved the others in this class. Not quite 2 years so feel the best is yet to come, it is all there from his typical head, quality bone & well padded feet. Great personality;

**2 Barry's Rustasha Rhapsody In Red**, lovely head & expression, has width of skull, good stop, length of foreface with strong clean jaw, good reach of neck, well made throughout. Would like a bit more bone for total balance. Not really working on the move;

**LD (1) 1 McDonald's Roanjora Pinotage**, very smart powerful dog with clean outline & balance all through, presented well & his colour is rich with clear white, flowing topline to well set tail which he used well displaying his good temperament. He performed well to win **RCC**.

**OD (6) Good class. 1 Griffin's Sh Ch Corranroo Connexion**, classic R/W, strong clean dog with super head, expressive eyes, good stop & foreface with strong jaw, has reach of neck that flows through good shoulder angulation, has depth & forechest with well sprung ribs & short muscled loin, correct tailset, good width of rump, developed quarters with low hocks, sensible & correct on the move. His rich red & clear white coat is full & in full bloom, goes with reach, drive & great confidence. CC, BOB & G1;

**2 Walker's Sh Ch Vanders Va Voom avec Wroxham**, not quite as masculine as 1 but is good for type & balance. Not just the head of 1. Stands on well padded feet, honest dog who covers the ground well. Would like tail carriage a little lower;

**VB (3) 1 Barcroft's Sh Ch/Ir Sh Ch Ballakinnish Mistinguette**, this 8 year old was in lovely coat & condition, just right for size, very sound all through, has strength in quarters & drives well on the move. A picture standing & so good to

go over. **RCC & BV;**

**2 Webb's Sh Ch Shannonlee The Skylark**, very sound, old fashioned bitch who went very well with good ground cover, from correct construction, stands on good legs & feet, fits the Standard well. Would just prefer a little more strength in head;

**PB (2) 1 Humphries' Spyefire Seven Steps**, what a pretty bitch of good size & well put together, lovely head proportions, feminine with balance all through, decent front. moved nicely with confident air. BP;

**2 Blackmore's Courtdown Felicia Fredrika**, happy bitch, right for size & balance, good legs, bone & feet, moved with good action. Just needs to strengthen in quarters & front.

**JB (3) 1 S Seven Steps;**

**2 McDonald's Roanjora Tsarine Tzarina**, just immature. Head shows balance & type. Needs to come up on feet. Not the best tail set. Moved OK & could come on with maturity.

**NB (1) A.**

**PGB (6)** All at about two years which is a rather in-between stage, so another year could present a different picture. **1 Hart's Gilliegrae Cineal Niamh**, honest, sound, not finished yet but not as lot wrong with her. Decent head proportions, good bone, good make & shape throughout. Moved with ease & true action;

**2 Barry's Rustasha Rosa Kim**, not as forward in head as 1. Perhaps a smaller bitch through. Tidy & not a bad one.

**LB (4)** Best quality overall class of the day. **1 Blackmore's Courtdown Beautiful Dancer**, lovely bitch in full bloom & lovely coat with clear r/w, strong, yet feminine, balanced with lovely head type, good make & shape throughout & therefore she moves with correct action. In the final, just felt the veteran put up a more polished performance. Her day will come;

**2 Hawkins' Courtdown Devonshire Dawn over Aislingwood**, all round honest, quality bitch. Thought she would be my winner as her outline & finish is lovely, but 1 scored in shoulder placement. Went well;

**OB (6) 1 Barney's Casafelice Rhoen at Romaunt**, not carrying full coat, but this only enhances her sound construction. She really is a classic in type & structure, loved her head, strong, good stop, foreface has strength with clean lips & strong jaw while retaining femininity, flows through elegant neck & firm topline to good tailset, which is carried at the right level & wagging to display her temperament, good angulation both ends, well bodied with good depth of chest, well sprung ribs & short loin, has width of quarters with low hocks. This all makes for true action both ways & ground cover going round, quality bitch. Would be hard to get past

when in full coat but really deserved the CC, her third;  
**2 McDonald's Courtdown Summer Breeze over Roanjora.**
