Critique

JUDGE:- MRS MARY GURNEY

Apologies for lateness of critique but the virus that did its best to prevent me making it to Crufts laid me low for the following 4 weeks. It was a great honour to be asked to judge this breed which I first judged in 1988. Has been really interesting to watch it progress from those early days of re-establishing the breed and have been privileged to have judged the very best. Worrying that the numbers in the young classes is so low.

VETERAN DOG (3) (0)

1. Barry's - Rustasha Royal Rumour. Almost 10 years old and carrying his years well in lovely condition, sound moving dog with well laid shoulders and wide quarters.
2. Valentine's - Sh Ch/Ir Ch Tullamore Ted JW SHCM. Well known dog in his eighth year, a beautiful headed boy, moving soundly lots of drive covering the ground well. Sadly, today not in his best coat which was such a shame.
3. Ward's - Caispern Nicholas Silver Cum Copperwhite. 9 year old and holding his years well. Good head and expression, nice type of dog perhaps not the quarters of the two above.

SPECIAL PUPPY (2) (2)

SPECIAL JUNIOR (2) (0)

1. Griffin's - Casafelice Cheviot. Excels in neck and lay of shoulder, good croup and quarters, colour good coat in full bloom, moving soundly.
2. Wade's - Casafelice Arabi At Oldstone. Good forehand, deep chest, less mature than his litter brother many of the same remarks apply, prefer his head needs to catch up in quarters but, still only a youngster.

POST GRADUATE DOG (11) (0)

Really could do with either Special Yearling or Graduate Class, as many were very young and this is a slow maturing breed.

1. Tattersall's - Temyloah Tomas At Alanea. Would prefer him bigger but a well put together young dog, good forehand and backend, a very nice head, good colouring moved very well.
2. Dempster & Gall - Dalriach Snow Goose At Benreeda. A solid sound mover, good reach of neck and well bodied, good head and expression needs to tighten in front.

3. Schofield - United Spots Royal Eagle. Lovely one could have gone higher but unfortunately his handler was having quite a job getting him right. Needs to stretch him out more had his back legs too far under his body, needs to show off his many qualities. He is very handsome dog with a lovely head and expression, good coat colour and texture, moved steadily.

LIMIT DOG (5) (0)

1. Lorenzi - Spyefire May Spring Rainbow. Compact dog is well put together. Has a very pleasing head and expression, good strong backend, handled well.

2. Faulconbridge's - Spyefire May Spring Skies. A very nice type of setter, masculine head and good expression. Clean lines about the neck and shoulders, quarters OK a steady mover using the ring well.

3. French & Treherne - Autumnwood Gold Standard. Was not co-operating with his handler, which was a shame as he was spoiling his topline. An attractive dog in full coat has the sweetest expression and well-shaped head, has good body properties. Once he decides to handle properly I think he could do really well.

OPEN DOG (12) (0) An excellent class with many lovely dogs.

1. GRIFFIN'S - SH CH CORRANROO CONNEXION. Splendid dog so typical, a son of the fabulous Veracity, ideal size masculine without any sign of coarseness. Superb mover, beautifully balanced, lovely head and expression, excellent neck and well laid shoulders, good width to his quarters. Delighted to award him the C.C & BOB.

2. Taylor's - Laoirebay Ocean Sunset SHCM. Another lovely boy full of quality, sound throughout. Excellent body deep with strong quarters, lovely head and expression, moved soundly making full use of the large ring. RES CC

3. Walker's - SH CH VANDERS VA VOOM AVEC WROXHAM. Completes a trio of superb dogs, beautifully balanced so typical, good feet and body. Has a lovely head and expression a pleasure to judge him.

FIELD TRAIL DOG (0) (0)

WORK GUN DOG (2) (0)

1. Bechtel's - Ch Eragon De La Cour Saint Florent (ATC AM01428FRA). A happy rather pretty dog, very pleasing head and expression, lacking a little in body condition, Enthusiastic mover.

2. Rae & Lindner-Rae - Reddeer Can't Buy Me Love Coilean (ATC AL00598HUN). Strong wide quarters which provides excellent drive on the move, not in his best coat and lacking feathers at the moment.

GOOD CITIZEN DOG (1) (0)

1. Faulconbridge - Spyefire May Spring Skies

VETERAN BITCH (6) (0)

1. McDonald's - Countdown Summer Breeze Over Roanjora SHCM. A really nice 7 year old bitch in sparkling form, very pretty and a good mover, good in the shoulder and quarter department, very pretty head and expression.

2. Valentine's Tullamore Trixebelle. Another good bitch showed and moved well, liked her balanced and style, pretty feminine head.

3. Ward's - Copperwhite Cordelia. Excellent colouring, sweetest of heads they have so improved over the years, moved and showed well, all over a very nice bitch.

SPECIAL PUPPY BITCH (2) (0)

1. McDonald's - Roanjour Tsarine Tzarina. Pleasing 9 month old, moved OK once she settled, pretty and developing along the right lines. Easy winner here.

2. Kelly's - Wellingore Crimson Arrow. Happy little puppy, but very much lacking body at the moment if she were mine I'd put her away and let her develop and try later on.

SPECIAL JUNIOR BITCH (1) (0)

1. McDONALD'S - Roanjora Tsarine Tzarina

POST GRADUATE BITCH (21) (1) Same remarks apply regarding classification as in the dogs, so many of these lovely bitches having not yet reached their full potential.

1. Barcroft's - Ballakinnish Muse. Some truly lovely bitches being produced by this kennel, this one has a good head, deep chest and well sprung ribs and all the essentials, maybe handler and dog could work on it a little more.

2. Bayne's - Corranroo Cruz. Neat bitch, well bent stifles and good width to her quarters, muscular neck and good shoulder, pretty feminine head, moved well.

3. Russell's - Casafelice Comisana At Soncaro. Nicely marked girl, nothing exaggerated about her moving well using the ring to advantage, nice head and expression.

Limit Bitch (12) (2)

1. Ward's - Ballakinnish Mischief Making Copperwhite JW. Quality bitch, beautifully balanced with sweet typical head and expression, good backend, excellent coat for colour and texture, strong soundly moving bitch really nice to go over. Pleased to award her the C.C

2. Blackmore's - Courtdown Beautiful Dancer. In lovely condition, really nice bitch finer build than above, has all the qualities I look for good head, well made and sound movement.

3. Hawkins - Courtdown Devenshire Dawn Over Aislingwood. A quality bitch handled very well, strong and well-built good substance, kindly expression well set ears, moved well.

Open Bitch (9) (1)

1. Barcroft's - Sh Ch/Ir Sh Ch Ballakinnish Mistinguette. Super bitch have awarded her a CC in the past, mother of my CC winner. Wonderful example of the breed, lovely head and expression, beautifully balanced in body and easy flowing movement in her eight year what a laster. RES C.C

2. Bayne's - Sh Ch Corranroo Continental. Close call between 2nd and 3rd two excellent bitches, well made with good movement, well ribbed and deep chest,

3. Sherratt's - Sh Ch Casafelice Cormo At Charnborough. Very nice feminine girl, possess good neck and shoulder, nicely balanced good body, very feminine and typy moved well.

WORK GUN B (2) (0)

1. Sherratt's - Ch Charnborough Glamour Girl. Full Champion, what an attractive feminine bitch not a big one but everything in proportion. Well bent stifles and good back end, charming head and expression. Moved well, what a wonderful achievement congratulations

2. Rae & Lindner-Rae's - Dalriach Ring Of Kerry. Rather sweet little thing, good moving bitch handled well, not the bend of stiles of above.

GOOD CITIZEN (4) (0)

1. McDonald's - Countdown Summer Breeze Over Roanjora SHCM. 4th in Veteran, stands over a nice amount of ground, good croup and tailset, well sprung ribs, went well.
2. Henderson's - Temynloah Teri. Clean topline and good upper thigh, coat in full bloom, sweet head and expression. Moved soundly making full use of the large ring.
3. Housby's - Tullamore Tiggywinkle. Well put together, nicely balanced, typical head, deep chest and good ribs, went well.
