Critique

I would like to thank the officers and committee for asking me to judge their Open Show and for their hospitality during the day. I would also like to thank the exhibitors for a superb entry both numerically and in quality. I had some of the top winning exhibits from the past few years which I thoroughly enjoyed judging. I would also like to say that presentation was very good and my hands were as clean at the end of the day as when I started. My only criticism of the day was that due to the large entry the ring was rather small and some had difficulty getting into their stride.

VETERAN DOG (2:1)

1st Tong's Sh Ch Kellizlot Master Magician ShCM

8 year old male of good size and overall balance, masculine head with kind expression. Good reach of neck leading to well placed shoulders and well angulated front. Ribs well back and sprung and firm through loin, developed quarters and well set on tail. In good coat and moved ok but unfortunately went lame in the challenge.

PUPPY DOG (2)

1st McDonalds Roanjora Pinotage

8 months and showing good promise, balanced and of correct size and proportions. Masculine and balanced head, clean reach of neck and good body properties. Firm topline and good ribs, quarters developing nicely and moved with drive and purpose. Best Puppy Dog.

2nd Bloxham's Tatoljack Conall

Very raw 6 months youngster, balanced head and kind expression, clean neck and balanced angles both front and rear. Needs time and a little more schooling so keep up the effort.

JUNIOR DOG (2)

1st Callaghan's Dalriach Lord of the Isles for Laoirebay

16 Months, pleasing head and expression, good reach of neck but would prefer slightly cleaner which may change. Balanced angles front and rear, ribs well back and firm topline and good tailset. Stood on good legs and feet and in hard condition. Super colour and well presented.

2nd Bloxham's Tatoljack Conall

YEARLING DOG (5)

1st Waltons Gallybob Gold Standard JW

Lovely shape and balance, masculine square head with kind expression, good reach of neck which was well muscled and lead into well placed shoulders. Good return of upper arm and correct oval bone. Developed forechest and ribs well back and sprung, firm through the loin and well set tail. Quarters well developed and stifles well bent. In good coat and condition and moved well.

2nd Walkers Vanders Va Voom Avec Wroxham

Another promising young man with good balance and substance. Masculine head with kind expression, good neck leading into well placed shoulders and return of upper arm. Ribs sprung and well back, firm through loin, just not as good finish to croup as 1. In hard condition which showed on the move as he drove from his quarters. Beautiful presentation.

3rd Blackmore's Taniswood Dirty Dancer at Courtdown

GRADUATE DOG (4)

1st Walkers Vanders Va Voom Avec Wroxham

2nd Blackmore's Taniswood Dirty Dancer at Courtdown

3rd Pettifer's Vanders Vita Di Riley Con Crosswest

POST GRADUATE DOG (4)

1st Lamb's Casafelice Askanian

Good overall balance and shape. Masculine head with level planes and kind expression. Good reach of neck and clean over shoulders, well angulated front and return of upper arm. Firm in topline and good finish to croup. Quarters well developed and in hard condition. Moved well covering the ground with drive.

2nd Green's Temynloah Quinlan at Vizaset

Presents a masculine picture, pleasing overall balance and size. Masculine in head with correct dome to skull, gentle expression and nice finish to flew. Muscular neck leading to laid back shoulders and good return of upper arm, ribs well sprung and firm through loin, developed quarters and second thigh. Once he got moving he went well but he needs to get out of the habit of pacing.
3rd Bayne's Corranroo Crossfire

LIMIT DOG (5)

1st Bayne's Corranroo Casanova

Medium sized dog, clean in outline and showing balance throughout. Masculine head with level planes, clean reach of neck and well placed shoulders, ribs well sprung and back to a firm loin. Quarters well developed and moved well to win the class, well presented and a fabulous colour.

2nd Wade's Viewland Ace of Hearts

Really liked this dog, he is not a big lad but lovely to go over and well put together. Masculine head with gentle expression and kind eye. Good angulation both front and rear and in hard condition which allowed him to move with drive and purpose. Needs to fill out in body and mature but once he has I will watch with interest.

3rd Ryan & McDonald's Berryessa Royal Affinity of Rymills JW

OPEN DOG (4)

1st Valentine's Sh Ch / Ir Sh Ch Tullamore Ted JW

A very nice dog to go over, presents a masculine picture without coarseness. Balanced head with correct dome to skull, defined stop and good finish to the muzzle. Powerful neck leading to well placed shoulders, good return of upper arm and developed forechest. Ribs sprung and well back and firm through the loin. Topline held both standing and moving and good finish to the croup, stood on good legs and feet and moved well to win the class. **BEST DOG & RESERVE BEST IN SHOW.**

2nd Griffin's Sh Ch Corranroo Connexion

Another impressive dog that was unlucky to meet 1 today. Presents a balanced and clean outline, lovely head with gentle expression. Good clean neck and shoulders well back, good length of upper arm and developed forechest, ribs sprung and well back leading to a firm and powerful loin, quarters developed and stifles well bent and muscled. Presented very well and unfortunately he did not have the room to move today due to the limited space which restricted his stride.

3rd White's Castlefenny Drummer's Lad

VETERAN BITCH (8:4)

1st Blackmore's Sh Ch Corranroo Celtic Breeze Over Countdown ShCM

I thought this lady was stunning, as she entered the ring she took my eye and I could not wait to go over her. Beautiful head, balanced and she looks right at you with a soft expression. Good reach of neck leading to super shoulder placement and return of upper arm, developed forechest and ribs sprung and well back, firm through loin and lovely finish to the croup and tail set. Stifles well bent and developed second thigh, short from hock to heal and she really moved well, true in front and driving from the rear, she covered the ground with ease, her topline did not falter at any stage. I had no hesitation in awarding her **BEST BITCH AND BEST IN SHOW.**

2nd Humphries Sh Ch Spyefire Irish Jig JW

Lovely headed bitch, clean reach of neck and well placed shoulders, ribs well sprung and developed quarters, tended to drop her topline a little and was not as positive on the move as 1. Well presented and in profuse coat.

3rd Barcrofts Sh Ch Ballakinnish Minuet

PUPPY BITCH (6:2)

1st Jarvis' Shannonlee The Wood Lark

9 months and showing lots of promise and potential. Lovely head and expression with kind eye. Good reach of neck and balanced angulation both front and rear, still needs to drop in chest but she has plenty of time, short through loin and good quarters. Stood on good and feet and once settled she moved well. **BEST PUPPY IN SHOW.**

2nd McDonalds Roanjora Chianti

Taller bitch who is at her inbetween stage of development so did not appear as balanced as 1, she has all the attributes you would look for once she matures, well schooled and presented and good profile movement.

3rd Green's Shannonlee the Reed Bunting

JUNIOR BITCH (5:1)

1st Sherrat's Charnborough Glamour Girl

Appealing youngster with good balance and size. Feminine head with pleasing expression, good reach of neck and clean shoulders, ribs developing well and firm through the loin, strong quarters and super bone and feet. Moved well covering the ground well.

2nd Barry's Shireoak Caramel Ice with Rustasha (Imp Can)

Promising youngster who has all the essentials, clean in outline, feminine head and expression and good body properties. She needs to gain her confidence to get the best from her but once she has I think she will have a bright future.

3rd Green's Shannonlee the Reed Bunting

YEARLING BITCH (4:1)

1st Sherrat's Charnborough Glamour Girl

2nd Tubby's Taniswood Anything Goes

Pleasing overall balance, feminine head with dark eye. Good reach of neck and level topline, stood on good legs and feet, true movement.

3rd Barry's Shireoak Caramel Ice with Rustasha (Imp Can)

GRADUATE (4)

1st Tubby's Taniswood Anything Goes

2nd Henderson's Temynloah Buffie JW

Standing this bitch gave her handler a hard time and did her best to throw it away, on the move you could see her true shape and she looked like she felt when I went over her. She has all the essentials she and her handler just need to sort their act out.

3rd Burgess' Autumnwood Sea of Dreams for Tymaran

POST GRADUATE BITCH (7:1)

1st Wade's Oldestone Snow Shower

Beautiful headed bitch, soft expression, good dome and finish to foreface. Clean reach of neck leading to well placed shoulders, good return of upper arm and developed forechest. Ribs sprung

and well back, firm through the loin and well developed quarters. Stifles well bent and muscled second thigh. In very hard condition which showed in her profile movement.

2nd Sherrat's Casafelice Cormo at Charnborough

Feminine bitch with good overall balance and shape, pleasing head of correct proportions, slightly lighter in eye than the winner, Clean reach of neck and well placed shoulders. Front and rear angulation balanced and enabled her to move with reach and drive. Preferred the finish to the croup of the winner but once back in coat she will press hard for top honours.

3rd Webb & Lowe's Shannonlee The Rock Wren

LIMIT BITCH (6:1)

1st Howartsons Whispers About Vanders

Beautiful Balance, substance and style are the attributes that this bitch possesses, feminine head with a soft expression and good planes. Powerful neck which lead to well laid shoulders and a very good front construction. Deep through brisket and ribs well sprung and back, firm loin which meant her topline was held throughout. Good finish to croup and rear angulation as you desire. In hard condition and this enabled her to move with power, drive and style. Presentation was first class. Reserve Best Bitch

2nd McDonalds Courtdown Summer Breeze Over Roanjora

Another good bitch with feminine head and kind expression, good neck, shoulders and front assembly. Firm topline and good rib and loin, quarters well developed and short from hock to heel, moved well and with drive.

3rd Valentine's Tullamore Tiggywinkle

OPEN BITCH (6:1)

1st Bayne's Sh Ch Corranroo Continental

Clean in outline and very flashy, feminine in head and expression and nice eye. Good reach of neck and well placed shoulders, firm topline and good finish to the croup. Ribs sprung and back and firm through the loin. Good rear angulation with correct muscling. Stood on good legs and feet. Well presented and handled, moved true fore and aft.

2nd Webb's Sh Ch Shannonlee The Skylark

A bitch I had seen and admired in the past, unfortunately she was carrying too much weight which spoilt her overall picture. Feminine head with soft and gentle expression, clean in neck and good return of upper arm. Deep through brisket and ribs well sprung and back. Good quarters and short from hock to heal. Moved well on a loose lead with a lovely natural head carriage.

3rd Barcrofts Sh Ch Ballakinnish Mistinguette CW08 CW09

Another top class bitch but today she did not have the room to move
