Critique

VD (1) 1 Barry's Rushtana Royal Rumour, grand example of the breed. Liked his body proportions & properties, impressive in outline, grand masculine head, the best of expressions, strong arched neck into correct topline. Sound through & through.

PD (1) 1 Bijker & Van Steenbergen's Quick Silver vt Keijershot, really impressive youngster, wonderful head, good breadth of skull, strong square muzzle, correct stop, appealing expression, good front & feet, well off for bone, good feet, good length & angulation of blade & upper arm, good length of rib, developing well at this age, good length & development of second thigh, strong hocks, neat hind pasterns. Coat of correct texture & colour, lovely temperament. **BP**.

JD (2) 1 Faulconbridge's Speyfire Mo Metous for Flynfal, took a while to settle but then displayed a very happy, friendly character. Liked his overall body properties, well balanced at this age, coat of correct texture & colour;

2 **Vaas' Red Fellows Nordoch Tyronen**, good size, masculine all through. At this age needing more time to fill his excellent frame. I thought his head wonderful, his body, size & head just fitted Anne Gourmley's description of the difference between the Irish & R/W Setters. Just needing time to mature & fulfil his enormous potential.

PGD (4) 1 Walpole's Lovenjoel Ice Cool, liked his head, strong skull, appealing expression, well ribbed, strong quarters, strong hocks & firm hind pasterns. Carrying just the correct amount of weight. Moved with style & soundness, in good coat;

2 **Jarret's Taxus Forest Charmer**, looking immature. Liked his overall body properties, needing to tighten in movement;

LD (5) 1 McDonald's Roanjora Pinotage, really impressive, all male, fitted the Gourmley description for size & 'heavy Irish Irish Draught Horse, as opposed to the elegant, graceful Irish Setter. Nothing coarse but a strong, upstanding male. Liked his head & expression, well constructed, firm body, good length & angulation of blade & upper arm, strong second thigh, strong hocks & hind pasterns. In good coat, moved with style, impressive in profile. **CC & BOB**;

2 **Davies' Zymora Irish Cream**, overall well balanced, excellent coat colour & texture, scored here with his hard, muscular condition & sound movement;

OD (5) 1 Vaas' Exclusives Gypsyboy, strong, upstanding, another who just fitted the Irish R/W Standard. Presented a most impressive outline, most impressive head & expression, good length & angulation of blade & upper arm, well ribbed, strong loin, excellent quarters, firm hind pasterns, in excellent coat texture & colour. Impressive in profile movement, could be slightly tighter in front movement. **RCC**;

2 **Barry's Rustasha Red Hot Rhumba**, lovely example of the breed, balanced body, lovely expression, scored here with his movement, true, good in profile, correct tail carriage

;

VB (4) 1 Barry's Sh Ch Shireoak Hurricane Ruby Rushtana, headed a very good class of quality veterans. Feminine with the most appealing expression, clean arched neck, firm topline, well constructed shoulder, good length of rib, well muscled second

thigh, firm hind pasterns, superb, confident temperament, moved with style, sound front & rear, covered the ground well in profile. **RCC**;

2 **Newman's Taxus Cloud Forest**, another who impressed for her outline & overall soundness. Liked her expression, sound on the move;

The inclement weather, monsoon rain, thunder & lightning affected quite a number of very nice bitches & made assessment very difficult.

PB (3) 1 Soper's Caispern Winning Colours, good coat texture & colour, still very immature at this age. Doing her best under difficult circumstances;

2 **Bardey's Caspern Dance Smartly**, well bodied, confident, excellent coat. Needs to correct in one feature.

JB (4) 1 Humphries' Speyfire Seven Steps, liked her for type, impressive outline, grand head & expression, good bone, front & feet, well constructed shoulder, strong rear. Confident, happy on the move;

2 **Tong's Rustasha Raison D'Etre for Kellizolot**, very sweet expression, feminine, good length of rib, in excellent coat. Conditions made her apprehensive & did not give of her best;

PGB (4) 1 Walton's Gallybob Bedazzled, liked her head & expression, plenty of strength & substance, still feminine. Liked her overall body conformation, good bone & feet, well ribbed, strong loin & quarters. Excellent coat texture & colour, impressive on the move, particularly in profile, absolutely sound & confident in temperament. **CC**;

2 **Newman's Taxus Forest Gem**, very pretty, feminine, sweet expression, excellent coat texture & colour. A little wayward on the move;

LB (3) 1 Davies' Zymore Christmas Rose, impressive outline, very sweet expression, well constructed shoulder, good length of rib, strong quarters, in hard, muscular condition. Correct coat texture & colour. Not quite the profile movement;

2 **Tubby's Taniswood Anything Goes**, pretty head, gentle expression, in excellent coat. Moved well in profile, firm topline & correct tail carriage. A little untidy in front & rear movement.

OB (4) 1 Barry's Shireoak Caramel Ice with Rushtana, liked her overall body properties & conformation, very feminine, sweet expression, impressive outline, well constructed shoulder, well ribbed, muscular quarters. Scored here with her profile movement;

2 **Ward's Ballakinnish Mischief Making Copperwhite**, liked her head & expression, overall conformation, good bone & feet, in excellent coat, correct texture & colour. Not moving to advantage;
