## Critique

### MINOR PUPPY DOG (1)

1. Hart's Kilkerrin Swift for Gilliegrae. Smart youngster likely to be a big lad. Good forechest and shoulders, nice bend of stifle. Movement erratic but forgiveable in a young puppy. Promising.

### PUPPY DOG (1)

1 Davies' Zymore Irish Cream. Very nice boy, strongly boned and standing foresquare on good feet. Balanced angulation, good tailset. Pleasant expression and attractive head. A little loose in front movement. **BPD.**

### JUNIOR DOG (2,1ABS)

1. Davies' Zymore Irish Cream.

### POST GRADUATE DOG (3,1ABS)

Two nice but very different dogs.

1. Walton's Gallybob Gold Standard. JW. Substantial and workmanlike dog, super bone. Good lay of shoulder and balanced rear assembly, moved well around a large ring. Good pearl white base coat with well nice spaced red islands and masses of coat. Head a shade heavy for me but a very worthy dog. **Res CC.**

2. Walker's Vanders Va Voom avec Wroxham. Smaller, lighter boy than 1 but nevertheless a good example of the breed, moved with good rear propulsion. Very nice headpiece and kind eye. Well balanced, enough bone and nice tight feet. A little proud of his tail.

### LIMIT DOG (4,1ABS)

1. Wade's Oldestone Snow Wizard. A smaller, lighter dog than his classmates. Very nicely put together, compact body, good lay of shoulder and spring of rib, well bent stifles and good coat and colour. Couldn't fault him on movement, strode effortlessly around the ring, presenting a super picture of a dog in full health and vigour. **CC.**

2. Lipscombe's Kellizlot River Legend. Bigger lad than 1. Nice head with good earset and correct eye. Good deep chest. Strong bone and well angulated hindquarters, would prefer better shoulder placement.

3. Green's Temynloah Quinlan at Viszaset.

### OPEN DOG (1)

1. Davies' Corranroo Corsair at Zymore. Handsome dog that I was surprised to find is 9 years old, it's certainly not obvious from his condition and movement. He has a good deep chest, straight front,

strong bone and moved with drive. Good colour with deep red patches. Would prefer more slope to the shoulder.

### **PUPPY BITCH (1)**

1. Davies' Zymore Christmas Rose. Very pretty little bitch, so much to like about her and a promising future prospect. Well balanced, shoulders fine at withers, well muscled up hindquarters. Just right for age. **BP**.

### **JUNIOR BITCH (3,1)**

1. Pilmer's Corranroo Celtic Connection with Anisbrig, lovely youngster, pretty head, correct round eye and good earset. Well boned, good lay of shoulder and strong hindquarters. Good colour. Moved well when settled.

### **POST GRADUATE BITCH (3,2ABS)**

1. Vanders Vida Loca. Sweetly pretty, feminine bitch, very nicely made with everything in harmony, balanced throughout. Not a big girl but nothing weedy about her. Good bone and the best of feet.

### **LIMIT BITCH (7,3ABS)**

Very difficult decision between two gorgeous bitches.

1 Howatson's Whispers about Vanders, just beautiful. Slightly smaller bitch than her rival. Superb angulation, straight front, strongly boned legs on super feet, Good colour. Moved with drive and style. **RCC**.

2. Wade's Oldestone Snow Shower, litter sister to my winning dog and a feminine version, so much the same remarks apply. Just preferred hindquarters of the winning girl.

3. Ward's Copperwhite Cinnamon.

### **OPEN BITCH (3,1ABS)**

1 Barcroft's Sh.Ch/Ir.Sh.Ch. Ballakinnish Mistinguette. What a beauty, like Miss Jean Brodie, she's in her prime. So well put together, beautifully balanced, plenty of substance but in no way coarse, she drove around the ring holding her topline and moving effortlessly. **CC and BOB**

2. Blackmore's Sh Ch Countdown Beautiful Dawn, another lovely girl, smaller than 1 but again, in no way insubstantial. Compact lady, well angulated, moved very well, close up for RCC.
