Critique

Very lucky to be offered two breeds. So very nice to judge Irish R/W Setters again & to have such quality entered type & soundness has certainly been retained & improved upon. To have the opportunity to judge Vizslas, a breed I have long admired & be able for the first time to award CCs was a great pleasure & to find a high standard of type & quality.

PD (1)

1 Faulconbridges' Spyfire Mo Mentous for Flynfell, a very excitable pup, full of confidence in himself so making handling difficult for his owner, once into a stance showed a very promising outline with good proportions. Presented well with an excellent textured pearl white & red patched coat with feathering coming. Lovely head showing work with nice eye & shape, good strength of neck into firm topline, lovely tail set & carriage. Good depth of chest & body with nice angulations, lovely ribs well back. Straight well boned legs & well padded feet. For a youngster has very powerful broad hindquarters once settled into a stride was sound & free moving. BPD.

JD (1) 1 S Mo Mentous for F.

PGD (4)

1 Tattersall's Temynloah Tomas at Alanea, lovely head male with good stop & well worked head, kind dark eyes, pigment loss on nose. Excellent head carriage on strong well muscled neck, good shoulder placement, firm backline & lovely carried tail & action. Good body of depth, well ribbed back, nicely angulated upper arm &

depth to chest, good return of stifle, well muscled. Correct pearl white with patches coat in excellent condition. Straight well boned legs & feet, very free sound mover with drive; 2 Griffins' Casafelice Cheviot, nice outline on the stance although a little unsettled. Slightly stronger head, not as balanced as 1, would like more stop & less throat. Nice eye shape, colour & ear carriage. Firm topline to tail well set on & used. Well developed body with lovely angles front & rear with good musculature. Beautiful coat & condition of correct red patches on pearl white. Correctly boned straight legs & excellent feet, moved out soundly with free driving action; 3 Pilmer's Rustasha Red Hot Royal at Anisbrig.

LD (2)

1 Davies' Zymore Irish Cream, I liked the overall balance & type of this dog, masculine well constructed head, excellent expression, dark eyes & well set ears. Super neck & shoulders, firm back line to well carried tail with feathering, lovely body substance, depth & ribs with correct angles both front & rear with depth to chest, elbows held in on straight well boned legs & tight feet. Very nicely presented coat & feathering with correct pearl & red patches. Very sound free striding action; 2 McDonald's Roanjora Pinotage, another nice dog of good height to length, little more rangy & just lacking the body depth of 1. Very well worked head of type & correct balance, kind eye & expression carried well on the move on strong neck of good length clean shoulders & firm backline to well feathered & carried tail. Well coated little heavily flecked on his pearl white body nice red patches. Straight well boned legs, feet could be tighter but excellent mover with good stride, well handled.

. **OD (7)** What a fabulous class of quality dogs. 1 Griffins' Sh Ch Corranroo Connexion, lovely now to see this dog fully matured & how he has improved & altered since first judging him. Lovely masculine outline with super conformation & overall type. He was entered in a lovely class with some very creditable dogs but shows such presence & showmanship he cannot be overlooked, superior head well shaped & developed, kind dark eyes & strong muscular neck to clean shoulders & firm backline, good substance & depth to his body & well ribbed back. Well angulated front & rear with lovely muscular powerful & broad hindquarters, good hocks & pasterns to lovely boned legs & feet. In a rich coloured more solidly marked jacket with nice feathering with correct feathered tail well carried. Effortless sound mover very positive with excellent long side stride. CC & BOB; 2 Walton's Sh Ch Gallybob Gold Standard, another stunning male with overall quality & type. Super head & carriage, strong neck to clean shoulders, firm backline to well set & carried tail. Lovely upper arm & shoulder & depth to chest & brisket, well ribbed back with nice loin. Wide hindquarters with a good turn of stifle well muscled. Straight oval boned legs & tight feet, really positive sound mover once settled into his stride. Beautifully presented pearl white & patched coat with nice feathering. Well handled, understood later not the handler's dog RCC; 3 Rowles & Sierakowski's Sh Ch/Ir Sh Ch Tullamore Troubadour.

PB (5) 1 Humphries' Speyfire Seven Steps, such a pretty bitch with so much showmanship & ring presence for her age. Beautiful head shape well worked, nice stop, eye shape with good colour & well placed ears. Correct balance & outline for her age, super substance giving chest & body depth, ribs well sprung & well back to short loin, elbows held well in to side on straight oval boned legs & feet. Beautifully presented & conditioned coat with correct pearl white & red patched markings with nice feathering coming. Very correct mover with sound fore & aft & excellent long side stride. BP; 2 Barry's Rustasha Finna's Rainbow, a quality baby with lovely overall outline & balance but for her age of nearly 12 months. I would have like more substance & depth to her chest & body, sweet head well developed with kind expressive eyes. Correct neck & clean throat, well laid back shoulders into a firm backline & tail set on & carried well. Enough angulations to both front & rear quarters with nice straight legs, could have more strength of bone, good tight feet. Super coat presentation to a lovely breed coloured pearl white & patched red coat with feathering coming. Very stylish on the move & sound; 3 Owens' Rustasha Romantic Melody.

JB (5) 1 S Seven Steps; 2 R Romantic Melody litter sister to my 2 in Puppy, very pretty bitch on the stance with nice overall outline. Feminine head well developed & shaped, kind intelligent expression & well placed ears, good strength to neck & firm back line to nice tail. Would have liked more upper arm & return of stifle, enough depth of chest & bodied with ribs well developed & into a short loin. Superior coat in lovely condition & with rich colours. Straight well boned legs & feet just a little flat. Moved out but lacked the drive & was not as positive as my winners; 3 Lindner Raes' Reddeer Funny Girl.

PGB (7) 1 Barry's Rustasha Rosa Kim, very attractively marked pearl white coat with nice patches & feathering beautifully presented & in lovely condition. Lovely feminine type head, super eye shape & colour with sweet expression nice set of ear. Good shaped muscular moderate neck to clean well laid back shoulders & firm back line to tail. Nice overall balance of good height to length, correctly angulated front with depth to chest, well bodied with good weight & depth, ribs well back & short loin. Broad quarters well angulated stifle & well muscled. Straight legs, would have liked little more strength & shape of bone, strong neat hocks & feet. Very stylish free ground covering mover & sound both ends; 2 Whitaker's Lowdon Light Shift, stylish outline with lovely angles front & rear. Very pretty well developed head, nice expression, good neck & shoulders, level backline. Overall picture spoilt by carrying too much weight which pushed out her elbows both on the stance & move. Lovely coat condition, good pearl white with heavier rich red patches. Well boned legs & feet was sound at front although slightly wide, with very sound driving action from the rear; 3 Lyus' Lovenjoel Christmas Spirit.

LB (5) 1 Pilmer's Corranroo Celtic Connection with Ainsbrig, very true to type bitch in immaculate coat & hard condition who presented a very nice picture both on the stance & the move. Very well moulded head, good stop, sweet expression from dark eyes, good ear placement. Lovely overall balance with a firm backline over a body of substance with lovely shoulder & upper arm angles & correct return of stifle.

Super straight oval boned legs, elbows held in, excellent depth to chest, brisket & body covered in a good coat with nice feathering. Stylish very free sound mover with great drive from well muscled wide hindquarters, happy tail. RCC; 2 Davies' Zymore Christmas Rose, beautiful bitch stood with a fabulous outline spoilt only by losing her topline on the move due to being a little overweight. Super well developed head, very feminine kind eye & expression, correct length of neck into good shoulders, well ribbed body of depth, very good forequarter angulations with depth to chest. Well muscled hindquarters with good turn of stifle & strong hocks & tight feet. Pretty coat colours well feathered tail, good carriage. Super sound mover with good side stride; 3 Barcroft's Ballakinnish Muse

OB (8) Lovely class. 1 McDonald's Countdown Summer Breeze over Roanjora, this bitch was certainly a summer breeze never putting a foot wrong. So breed typical, lovely on the stance, lovely to go over & certainly lovely to watch on the move. One I have not seen before but certainly caught my attention here, super outline in lovely coat colour & condition with beautiful feathering. Typical feminine head, good stop with a sweet intelligent expression. A well developed & angulated body in muscular condition with correctly boned legs & tight feet adding to a very sound long striding & ground covering action. CC, pleased to learn it was her crowning CC, must have been a popular win on hearing the ringside applause; 2 Ward's Balakinnish Mischief Making Copperwhite, impressive on the stance, in a very flashily marked coat with lovely feathering. Head is spoilt by a large white blaze which makes the foreface look long, but on putting your hands on it is well constructed with enough stop. Feminine with kind well shaped eyes. Well muscled neck of correct length into good lay back, good shoulder & upper arm angles lovely deep body & well ribbed back, tight elbows on straight oval boned legs & tightly padded feet. Correct return of stifle well toned quarters, good hocks. Another very sound positive mover with good ground coverage; 3 Sherratt's Sh Ch Casafelice Cormo at Charnborough.
