Critique

My thanks to all the exhibitors for their support and to my two efficient stewards.

Puppy Dog: (3:0)

1st: Griffin – CASAFELICE CHEVIOT. Liked him for type and at this stage in his growth a little more together than 2. His head is still quite raw and back skull will develop. Good strong clean neck fitting smoothly into shoulders. Well angulated front and rear. Deep well sprung ribs strong loin and level top line. Carried himself well on the move. BPIB.

2nd Wade – CASAFELICE ARABI. I see he is litter brother to winner and I expect they will change places often. Lovely head and expression, well made throughout with good bone

and balance of body properties. At this stage just not quite the depth of chest of winner which was the deciding factor. Moved soundly .

3rd Collins – CORRANROO CLOUDCHASER AT FORESTPOINT.

Junior Dog (3:0)

1st Tattersall – TEMYNLOAH TOMAS AT ALEA. Close decision between 1st & 2nd here and many of the same remarks apply equally. Lovely head and expression good fill to rear skull and finish to foreface. Very clean through neck into shoulders and good angulation to front assembly. Well sprung deep ribs strong loin and good bone and feet. Moved soundly.

2nd Walpole – LOVENJOEL ICE COOL. Lovely dog all through with pleasing head properties, strongly made with excellent bone , good front and rear angulation, unfortunately carrying a bit of weight over his shoulders which gave the impression of being loaded, a few pounds less here will clean that up. Good body strong loin. Would like better feet. Moved well.

3rd Barry – RUSTASHA RHAPSODY IN RED

Post Graduate Dog: (2:0)

1st Lamb – CASAFELICE MONTADALE JW – Loved his head and expression. Correct dimensions to skull through foreface. Clean nicely arched neck into well laid back shoulders and good return of upper arm giving good forechest. Strong bone and good wide hindquarters nicely angulated and good feet. Just a little long through body properties for my preference, moved out very well driving nicely off well let down hocks.

2nd Rowles & Sierakowski – DALRIACH ROB ROY; Good head and expression with correct finish leading into strong crested neck. Not quite the angulations through front assembly of 1st. Good bone , well ribbed back to strong loins good wide quarters and well muscled, a little steep through his croup. Moved soundly but not the drive of 1.

Limit Dog (5:0)

1st Taylor – LAOIREBAY OCEAN SUNSET - Stunning head and expression with excellent finish to back skull , clean through neck into very good front assembly, deep well sprung ribs with plenty of length to strong well muscled loin and nicely angulated hindquarters , good finish to croup and the best of feet. Moved very well.

2nd Rowles & Sierakowski – TULLAMORE TROUBADOR - Another beautifully made head with great expression, would just prefer a bit more length to foreface for absolute balance. Good front assembly with well laid back shoulders and good forechest. Deep well sprung ribs

, well developed loin. Strong nicely angulated hindquarters strong rear pasterns . Moved soundly.

3rd Ryan & McDonald – BERRYESSA ROYAL AFFINITY OF RYEMILLS JW

Open Dog (5:0) What a class!!! Thank you all for the opportunity to judge your lovely boys. Decisions were hair-splitting.

1st Walker – SH.CH. VANDERS VA VOOM AVEC WROXHAM – He filled my eye for breed type and balance of height to length . His head and expression are glorious with correct skull shape lovely eyes balanced foreface with correct finish. Clean crested neck and my hands flowed unchallenged into well laid back shoulders with mirrored return of upper arm giving the best of forechests. Deep well sprung ribs of correct length, carried well back to a muscular loin, good finish to croup leading down into strong hindquarters, correctly angulated to balance the front, with well defined 1st & 2nd thigh. Short strong rear pasterns and good feet. On the move he drove well off his hocks and in profile his footfalls were immaculate holding his level top line and lashing tail. He is at the peak of condition and maturity and was delighted to award him C.C. & BOB. He went on to acquit himself very well in, what I thought, was a strong Gundog group, to get to the final cut – well done indeed.

2nd Griffin – SH.CH. CORRANROO CONNEXION – Just loved him too!!!! The most exquisite head, eye , and foreface all beautifully balanced and “screamed” breed type. Clean crested neck into first class front assembly , lovely bone with strength but not coarse. Ribs are properly sprung, carried deeply and well back to well muscled strong loins . Well finished croup and strongly muscled hindquarters which have well angulated stifles carrying down to strong, short, rear pasterns and good feet . Moved out well coming and going and in profile held his top line and showed good footfalls. He is coming to his peak of maturity and the decision between him and 1st was made on that basis, I think he has more to give in that respect as both of them are top drawer, quality dogs. Today his half brother just piped him to the post but oh boy was it close!! R.C.C.

3rd Walton – GALLYBOB GOLD STANDARD JW.

Puppy Bitch (5:1)

1st Bayne – CORRANROO CRUZ: Very promising young lady. Well made throughout with feminine head, good body properties and well developed hindquarters, good bone and feet. Moved soundly.

2nd Hawkins – CORRANROO CAROUSEL OVER AISLINGWOOD. I see this is litter sister to 1 and another good prospect . Pretty feminine head of good proportions. Good neck and angulations fore and aft . Well boned with good feet. Just not so together on the move as 1.

3rd Hart – GILLIEGRAE CINEAL NIAMH.

Junior Bitch (6:0)

1st Henderson – TEMYNLOAH TERI. - Lovely feminine head of good proportions, strong clean neck flowing into well angulated front assembly together with deep well sprung ribs giving good forechest, strong loin and well angulated hindquarters with good feet. Moved soundly.

2nd Bayne – CORRANROO CACHET – Another very pretty girl with very nice body balance deep ribs, good loin and well angulated, wide, hindquarters. Good bone and feet. Just made 1 better in return of upper arm. Moved soundly.

3rd Ward – BALLAKINNISH MISCHIEF MAKING COPPERWHITE

Post Graduate Bitch (12:4)

1st Horrocks – SPIRALWOOD SECRET LOVE FOR ITCHENWYCH JW – Lovely lady of great scope and appeal. Beautiful head and expression, correctly balanced skull to foreface. Clean, crested, moderate neck fitting well into excellent front assembly, well ribbed up with good spring, strong loin. Good finish to croup and wide hindquarters whose angulations mirrored her front. She is athletic without any trace of coarseness. Moved well holding her topline. She has more scope than her handler gives her credit for and can stand over more ground to advantage. Seriously considered her for top honours, she's lovely.

2nd Hawkins – COURTDOWN DEVONSHIRE DAWN OVER AISLINGWOOD –
Pretty girl with good head and expression, well arched neck fitting cleanly into shoulders, deep well sprung ribs, strong loin, wide hindquarters with good finish to croup, not quite the return of upper arm as 1, well shaped bone and decent feet. Moved well, when she got it together!.

3rd McDonald – ROANJORA CHIANTI JW.

Limit Bitch (4:2)

1st Howatson – VANDERS VIDA LOCA – Most appealing lady. On first look, she has excellent balance. Her head is beautiful with the most lovely expressive eyes, well filled back skull and correct finish to foreface. Strong well shaped neck flowing cleanly into super front assembly and deep ribs giving her excellent forechest. Ribs are well sprung and carry back to muscular loin. Good croup and wide, strongly muscled hindquarters. Short, strong, rear pasterns and good feet. On the move she excelled, showing drive and reach and her

footfalls were faultless. A lady of the highest quality, expertly handled to advantage. My pleasure to award her the C.C.

2nd Sherratt – CHARNBOROUGH GLAMOUR GIRL – Lovely head and expression and every inch says she is an Irish Red & White Setter. Unlucky to meet 1 on form as very little separated them. She is well angulated front and rear and her body properties are correct and give good overall balance to her. Well muscled throughout and moved out well carrying her top line.

Open Bitch (3:2)

1st Sherratt – SH.CH. CASAFELICE CORMO AT CHARNBOROUGH – Fully mature, of beautiful type exuding breed characteristics, this lady ticks many boxes. Feminine head and expression. Strong clean neck with good lay back of shoulders and correct return of upper arm, deep ribs carried well back to strong loins. Well finished croup and wide correctly angulated hindquarters. Strong bone and good feet. Moved freely, unfortunately carrying too much weight which disadvantaged her causing her top line to roll slightly, when decisions are close consideration has to be given to such matters. She is a very worthy champion but today had to settle for R.C.C.
