Critique

Veteran Dog - 2 entries (1 absentee)

1. WARD'S - CAISPERN NICOLOUS SILVER CUM COPPERWHITE JW Sh CM. Very typey dog. good head and eye, Tight front, good feet, deep chest and strong quarters. Sound on the move.

Puppy Dog - 1 (0)

1. GRIFFIN'S - CASAFELICE CHEVIOT. Nice type gangly at the moment. Long enough in body. Needs to break in head. Good bone and substance. Moved soundly and with maturity on the move.

Junior Dog - 1 (0)

1. BARRY'S - RUSTASHA RHAPSODY IN RED. Rangy dog a bit unsettled to-day. Pleasing head and expression, good front, nice deep chest, sound quarters, good hind angulation. Just needs time to mature. Moved soundly.

Novice Dog - 1 (0)

1. SCHOFIELD'S - UNITED SPOTS ROYAL EAGLE. Nice type, good bone and substance. Pleasing head if a little bit heavy in skull, nice soft expression. Good overall conformation, only 20 months old so has lots of time on his side. Moved soundly.

Post Graduate Dog - 4 (1)

1. LAMB'S CASAFELICE MONTADALE JW. Striking overall well balanced dog. For me a little strong over skull. Clean lines, would like a little more depth of chest. Powerful quarters with good hind angulation and nice tail set. Moved soundly.

2. MCDONALD'S - ROANJORA PINOTAGE. Different type as is seen in this breed. Very racey in outline, pleasing head and expression. Good front and good rib cage, could be a little long in loin, good quarters. Moved well.

3. TATTERSALL'S - TEMYNLOAH THOMAS ATALANEA.

Limit Dog - 4 (2)

Again No 1 and No 2 are different type of dogs and the placing went in the end on movement.

1. LAMB'S - CASAFELICE ASKANIAN. Well balanced dog ,pleasing head and expression, good ear set, nice neck and shoulders, good depth of chest and strong quarters. moved with drive covering the ground well.

2. BARRY'S - RUSTASHA RED HOT RUMBA. Very settery head shape with good depth of foreface. Tight front, good depth of chest, good top line, nice quarters and well angulated hocks. Moved with enthusiasm, tending to be close behind.

Open Dog - 5 (0)

1. GRIFFIN'S - SH CH CORRANROO CONNEXION. Very eye catching dog, big enough for me, that said he is a very worthy SH CH. Well presented, lovely head and expression, good neck and shoulders. Deep chest with plenty of heart room, good couplings, sound strong quarters. Moved beautifully with poise and drive covering the ground well. Please to award him **Dog CC and BOB**.

2. ROWLES' - SH CH TULLAMORE TROUBADOR. I like this dog, he is nicely put together with lovely head and eye. Good depth of chest, short couplings and sound quarters. He is very head strong and until he gets into his stride he tends to put all weight at the front when moving. Once settled he covers the ground well and moves soundly. Pleased to award him **Dog Res CC**.

3. WALKER'S - SH CH VANDERS VA VOOM AVEC WROXHAM.

Veteran Bitch - 1 (0)

1. WARD'S COPPERWHITE CORDELIA. Lovely lady of seven years, has all the essentials. Well shaped head with good ear set and nice depth of foreface. Strong body, good bone, presents a good compact picture. Moved soundly.

Puppy Bitch - 2 (0)

1. HART'S - GILLIEGRAE CINEAL NIAMH. Big enough for me, balanced throughout, lovely clean lines, Pleasing head and expression, tight front and good feet, deep chest, good quarters and nice tailset. Just needs to mature on. Moved soundly.

2. HAWKINS' - CORRANROO CAROUSEL OVER AISLINGWOOD. Another nice puppy, well balanced body shape, has all the essentials. More compact overall puppy than No 1. Just preferred head of No 1. Moved well.

Junior Bitch - 7 (2)

A very hard decision between No 1 and No 2, they are sisters but different in type. They are both extremely nice young bitches but in the end I thought No 1 was elegant and very feminine.

1. BARCROFT'S - BALLAKINNISH MUSE. Very elegant bitch with lovely outline, good head and expression, tight front and good feet, nice deep chest, sound quarters. Moved beautifully with drive and purpose.

2. WARD'S - BALLAKINNISH MISCHIEF MAKING COPPERWHITE. Again this bitch is lovely, she can't be missed. She is well balanced and has lovely sound conformation, stronger in type than No 1 without losing femininity. Just out of coat at the moment. Moves soundly covering the ground well.

2. BARRY'S - RUSTASHA ROSA KIM.

Novice Bitch - 2 (0)

I noticed that No 1 and No 2 in this class are litter sisters. They are both nice bitches.

1. LYUS'S - LOVENJOEL CHRISTMAS SPIRIT. I like her type, lovely eye, good depth of foreface. Well placed shoulders, deep chest and short coupled. Nice tailset and sound quarters. Moved well.
2. LYUS'S - LOVENJOEL MISTLETOE KISS. Very similar comments as No 1, a quality little bitch. Not as settled on the move.

Postgraduate Bitch - 7 (2)

1. HAWKINS' - COUNTDOWN DEVONSHIRE DAWN OVER AISLINGWOOD. Nicely balanced bitch with lots of quality. Pleasing head and expression. Good neck and shoulders, compact body shape, good top line standing and on the move. Moved well.
2. WARD'S - BALLAKINNISH MISCHIEF MAKING COPPERWHITE.
3. MCDONALD'S - ROANJORA CHIANTI.

Limit Bitch - 3 (3)

Open Bitch - 7 (2)

1. WEBB'S - SH CH SHANNONLEE THE SKYLARK. A difficult decision in this class as No 1 and No 2 are very much quality exhibits but so different in type. I went for No 1 in the end on her overall balance throughout. She has a good head and expression, I would like a little more foreface though. Lovely compact body shape and the thing for me is her lovely sound movement. She is not a big bitch but she covers the ground when moving. Pleased to award her **Bitch CC**.
2. BARCROFT'S - BALLAKINNISH MISTINGUETTE. Different type to No 1, much rangier but never the less she is very much a worthy SH CH. Lovely head and expression, good neck and shoulders, deep rib cage with good spring of rib, just a fraction long in loin, sound quarters. Not in her best bib and tucker today. Moved soundly. Pleased to award her **Bitch Res CC**.
