1st SHANNONLEE THE WOOD LARK (MISS V JARVIS)

2nd ZYMORE CHRISTMAS ROSE (MRS M H DAVIES)

## **Critique**

I would like to thank all exhibitors who turned out in truly horrid weather conditions. I was pleased with the entry as the day clashed with the Scottish breed club championship show.

### **PD (2,1)**

1 Collins' Corranroo Cloudchaser at Forrestpoint. 10 month old. Good forechest, clean neck and spring of rib developing but very much a baby. **Best Puppy.**

PGD (1)

1 McDonald's Roanjora Pinotage. Handsome young man. Lovely dark eye which gives that true setter kind expression. Good reach of neck and level topline. Well angulated front and rear allowing him to drive on the move. Still very raw when challenging for Best Dog, but his time will come.

#### **LD (2)**

1 Green's Temyloah Quinlan at Vizaset. Lovely balanced dog who won the day on movement. Loved his head and expression. Balanced dog with good front and rear angulation. Shown in good hard condition. **Best Dog.**

2 Taylor's Loirebay Ocean Sunset. Good shoulder lay and rear angulation. Moved with drive. Just preferred the head of the winner.

#### **OD (2,1)**

1 Walker's Sh Ch Vanders Va Voom Avec Wroxham. Beautifully presented in excellent coat. Head balanced, with kind expression. Correct shoulder lay and spring of rib. **Reserve Best Dog.**

#### **PGB (4,1)**

1 Davies's Zymore Christmas Rose. Lovely feminine bitch but with ample substance and bone. Pretty head and expression. Clean neck, shoulders and topline, with good spring of rib. **Reserve Best Bitch.**

2 Tubby's Tanniswood Anything Goes. Different type to winner, very pretty balanced bitch with excellent rear angulation.

3 McDonald's Roanjora Chianti JW.

#### **LB (3,1)**

1 Jarvis's Shannonlee The Wood Lark. Lovely pretty bitch of the correct size, really took my eye. Shown in tip top condition, super fit. Excellent in outline with lovely short couplings. Great front and rear angulation. Moved well with drive. **Best Bitch and Best of Breed.**

2 Davies's Zymore Christmas Rose. Winner of p
