Critique

Shame about the weather as it did limit the amount of useable ring and hence movement could not be fully assessed as one would like. Many thanks to the exhibitors with their patience in what turned out to be a foul days weather.

PGD (1)

1st: Lamb's Casafelice Montadale. In lovely coat and condition with correct clear markings. Really maturing well with good bone and feet moved well behind and keeps a balanced outline on the move. Super head and expression with nothing over stated. Correct rear construction and angulation, into a good length of loin and correct ribbing. BD & BOB

OD (5,2)

1st: Lipscombe's Sh Ch Kellizlot River Legend, A nice mature dog in his prime good strong topline into a well made rear end which showed on the move. Good neck and shoulder but just a touch too long in the loin which through out the overall picture. RBD

2nd: Lamb's Casafelice Askanian, Lovely fronted dog with a good neck and shoulder. Lovely masculine head and expression just looking like he wasn't enjoying his day, due to the weather and hence looked a touch tucked up in the loin at points. And the stand in handler didn't quite get the best from him.

3rd: Ward's Caispern Nicolaus Silver Cum Copperwhite JW Sh.CM

JB (2,1)

1st: Ward's Ballakinnish Mischief Making Copperwhite JW, Super rich clear colouring. Good ribbing into good loin. Would like a slightly clear lie of shoulder and maybe a bit more upper arm as it through the front movement.RBB

OB (2,1)

1st: Ward's Copperwhite Cordelia. A nice bitch presenting a well balanced picture, however the thunder came just at the wrong time and hence the handler wasn't getting the best from her. Moved well both fore and aft once she settled, again would like a slightly better lay of shoulder. BB
