Critique

My thanks to exhibitors for a lovely entry. All dogs were in good condition with lovely clean coats. I was concerned to find a few untypical heads, tending towards lean without strength & width over the skull.

PD (1) 1 Tattershall's Alanea Game Warden, lovely young fellow of 7 months. Well made with strong bone & good substance, excellent clear colour, standing on good feet. Everything is there & at the right stage for his age. Moved well but not quite as confident as his sister in the puppy challenge. JD (2) 1 Gall & Dempster's Dalriach Tormore at Bendreeda, good head & eye, well angulated fore & aft. Needs a bit more practice. He would benefit from a little trimming on his tail as it detracts from his balance; 2 Baynes' Corranroo Casper, impressive dog, shown in good coat & condition. Well boned. At this stage 1 had better balance. PGD (4,1a) 1 Pilmer's Rustasha Red Hot Royal at Anisbrig, well boned, strong dog. Lovely head & eye, good front & back angles & he moved well covering the ground in profile. I did consider him but in the challenge the veteran was stronger in hind movement; 2 Tattershall's Temyloah Tomas at Alanea, smaller made dog with good angulation. Moved well but not the drive of 1. I would just like more of him; 3 Mallinson's Courtdown Fame And Fortune. LD (2) These were two good dogs of very different types. 1 Gall & Dempster's Dalriach Snow Grouse at Benreeda, bigger framed dog but is balanced. Lovely head, good eye, moved well but a little proud of his tail; 2 Barry's Rustasha Rhapsody In Red, another good dog. I preferred 1 in hindquarters. Good mover. OD (3,1) 1 Wade's Sh Ch Ballakinnish Malachi at Oldestone, I have admired him from the side of the ring as a young dog. He has matured since I last saw him & today I found him a handsome balanced dog on the stance & he didn't disappoint to go over. Best of heads with lovely dark eye. Everything is how it should be – strength, balance, substance & style but without exaggeration. Moved well in this class but in the challenge he flowed around the ring with drive & style. At just over 3 years old he still has more to come. He is already passing his qualities on as the puppies were sired by him. CC & BOB; 2 Barry's Rustasha Red Hot Rhumba,

taller dog. Good head & colour, steady mover. Not as well angulated as 1. VD (1) 1 Taylor's Laoirebay Ocean Sunset, lovely head & eye, longer dog with good width throughout. A young looking 7 years. His sound, steady movement won him RCC.

PB (2,1) 1 Tattershall's Alanea Summer Cottage, litter sister to PD & similar remarks apply. She just has more confidence & that 'look at me' attitude at the moment. Both puppies are a great future prospect. Their owners will have a lot of fun with these two lovely youngsters. BP. PGB (5,2) 1 Whitaker's Lowdon Light Shift, smaller bitch but well made & balanced. Lovely to go over, no exaggerations. Pretty head, moved soundly & happily; 2 Sierakowski's Dalriach Nae Limits, a larger, stylish bitch. I liked her but she was not as sound as 1 on hind movement; 3 Mole's Dalriach Silver Tassie. LB (3) 1 Bayne's Corranroo Cruz, lovely well made bitch, shown in tip top condition. Stylish & feminine, she moved with drive. It was close in the challenge but it was her day today. CC; 2 Barton's Taniswood Summer Rose with Bencorragh, different type of bitch to 1 & I did like her. Well presented & moved soundly; 3 D Silver Tassie. OB (5,1) 1 Pilmer's Sh Ch Corranroo Celtic Connection with Anisbrig, half sister to Limit winner & very similar. I did prefer her in head & she pushed all the way. In the final run off I felt the CC winner just had the edge on movement. RCC; 2 T Summer Rose with Bencorragh; 3 Barry's Shireoak Caramel Ice with Rustasha. VB (0).
