Critique

PD (4)

All puppies from the same litter, 10 months old at differing stages of development.

1 Sierakowski Dalriach Sean OG. Of excellent breed type with a pleasing outline both standing and moving. Good head, well proportioned. Well balanced angulation and strong hindquarters. Much more together than his brothers with sound, free movement.

2 Bryant Dalriach Shenval. Very classy and full of quality with the loveliest head, eye and expression. Presented a good outline in stance. Well balanced angulation and sound movement but needs time to develop in hind quarters.

3 Dempster Dalriach Snow Grouse At Benreeda.

JD (4)

1 Wade Ballakinnish Malachi At Oldestone. Excellent breed type and full of quality with an excellent outline in stance and really covered the ground on the move. So well balanced all through with very sound movement. Reserve Best Dog and **Reserve Dog CC**. I note his sire is the CC winner.

2 Tattersall Temynloah Tomas At Alanea. Full of quality and breed type. Loved his head. Good depth to body with good spring of rib. Moved out soundly.

3 Pilmer Rustasha Red Hot Royal At Anisbrig.

LD (1)

1 Rowles & Sierakowski Tullamore Troubador. A strong upstanding dog of excellent breed type and at four years old maturing well. Masculine in head with a good expression. Excellent rib cage. Short coupled and strong and well muscled through the loin and hind quarters. Gave his handler a hard time but moved out very soundly when settled and showed a very good outline in profile. I just felt he could be more free if shown on a slightly longer lead. I was pleased to award him **Best Dog and the Dog CC** which I was told later was his third Congratulations!

PB (1)

1 Mole Dalriach Silver Tassie. Litter sister to the dog puppies, of excellent breed type and very feminine. Excellent head and expression with correct dentition. Well constructed with plenty to develop on. Moved out very freely. Best Puppy in Breed.

JB (2)

1 Tattersall Temynloah Tanya At Alanea. Very feminine of excellent breed type and quality with pleasing feminine head of good proportions. Shown in good coat for her age. Moved out so soundly. **Reserve Best Bitch and Reserve Bitch CC**.

2 Mole Dalriach Silver Tassie.

PGB (1)

1 Knox & Jakins Coolfin Molly Malone. A bigger made upstanding bitch of excellent breed type, well developed and all in proportion. Good head, neck and front. Well balanced angulation. Moved out very freely with a good ground covering stride.

LB (4)

Headed by two lovely bitches with little to separate them.

1 Housby Tullamore Tiggywinkle. Of excellent breed type with the most pleasing outline in stance. Classic feminine head with good expression. Clean neckline set into well laid shoulders. Good front, legs and feet, good depth to body enhanced by ample feathering. Moved out well with a good outline. Well deserved **Best Bitch, Bitch CC and Best of Breed**. It is interesting to note her litter brother won the Dog CC and both are relatives of the Best Puppy.

2 Pilmer Corranroo Celtic Connection With Anisbrig. Of excellent breed type, very feminine, head of good proportions. Excellent angulation front and rear. Good body, loin and balance but not so developed as first. Excellent outline on the move.

3 Barton Taniswood Summer Rose With Bencorragh.

OB (2)

1 Wade Oldestone Snow Shower. A mature bitch of excellent breed type, very well balanced with beautiful feminine head and good expression. Good clean neckline, good spring of rib. Short coupled with sound hind quarters. Presented a good outline but could be more positive.

2 Barton Taniswood Summer Rose With Bencorragh. A bigger made bitch with much potential. Good head and expression, pleasing bone and feet. Still needs time for maturity. Moved out well.
