Critique

Firstly I would like to thank the Secretary and Committee for their kind invitation to judge at this show. The venue could not have been better with a large flat grass ring next to the car park and perfect sunny weather. After such a rainy start to this year's summer, it was so nice to be able to judge the breed in the sunshine.

Can I thank those exhibitors who brought their dogs for the way they were presented and shown . My decisions were accepted in a sporting manner and I was very pleased with all the winners. For those who entered but were not able to make it I can only say that you missed an enjoyable fun day. I can wholeheartedly recommend the show for next year's diary.

I was very impressed by the overall quality of the exhibits present. Movement, presentation and coats were excellent and the breed has a lot to be proud of.

Veteran dog (1/0) 1.Ward's Caspern Nicolaus Silver cum Copperwhite : strong powerful mature dog , super head and neck with kind expression. Excellent shoulders with deep chest. Powerful well muscled rear with excellent driving movement. Good coat and colour. He set the standard for the day and I am sure that he is good enough to compete in and win a Gundog Group. I was pleased to award him BD, BV and BIS.
